## Kate Horvath workshop

I have been in touch with Kate as a number of you expressed an interest in having a workshop with her. I already knew she had a busy year in 2024 so booked the first available Saturday she had next year which is May 17<sup>th</sup>.

## **Challenges**

Following on from the success of the book challenge we have now started a “song” challenge.

Using the same format as before, making an A4 size quilt depicting a song title using any stitched technique. The aim is to be able to let the “song challenge” and the “book challenge quilts” become a display for other groups to borrow and be used as a guess the title collection.

Finish date 2<sup>nd</sup> October.

## **Exhibitions**

We had a discussion at the AGM on whether to hold an exhibition next year. It was decided not to have another exhibition in the same format as before but to look into other ideas. These included having a “*pop up day*” possibly in Festival place, some sort of open day or this is “*what we do day*”. The committee will be looking into these ideas soon to see what is possible and would welcome any thoughts you might have on the matter or other possibilities.

## **Accounts**

I have had the signed accounts back with one slight change, the total expenditure is the same but the rental is reduced by £80 which was for the quilters guild membership and insurance which I had in the wrong column!

It was agreed to put the membership up to £50 a year which will be due by the 1<sup>st</sup> September.
